

➔ WHO WE ARE

Interiors & Environment Solutions (IES) provides commercial furniture solutions in partnership with prominent, worldwide furniture manufacturers.

We understand that the “one size fits all” approach doesn’t actually work for everyone. With that in mind, we carefully tailor our solutions for each client and every project in order to ensure that your unique project requirements are thoroughly met. Our commitment to providing complete service and support while building strong, lasting relationships is what sets us apart from other providers.

Our balance of professionalism with an approachable personality means you’ll not only enjoy the work we do, you’ll really enjoy working with us! Every project, every time – we guarantee you’ll be satisfied!

→ WHAT WE DO

At IES, we work diligently to find the products and product lines which will fit your unique project requirements, timeline, and budget.

By asking the right questions and anticipating challenges, we're able to deliver the solutions you need on time. We offer additional support such as space planning, project management, installation, and consulting services to ensure that every aspect of your project is completed successfully.

Every aspect of our services, systems, and processes is designed to make your job easier. If a problem should ever arise, rest assured that we'll go above and beyond to solve it. We always put in the hard work and go the extra mile to see that each client is entirely satisfied.

→ WHO WE SERVE

While the depth of our experience and the range of our capabilities allows the IES team to provide carefully crafted solutions in any market, our primary clients fall within these realms:

→ Corporate

→ Education

→ Healthcare

→ 55+ Living

→ Hotels

→ Restaurants

➔ OUR SERVICES

Finding furniture for your project isn't about ordering products and checking the box, it's about selecting the right furniture that matches your vision for comfort, sustainability, and affordability. More than just acquisition, it's an intricate, complex process involving many moving pieces. These moving pieces, combined with very specific project requirements, can cause a multitude of challenges to arise throughout the process.

IES offers a range of services to help overcome those unique challenges and keep your project moving along according to schedule. Those services include Consulting, Space Planning, Design, Project Management, Delivery & Installation, Asset Maintenance, and Customer Care.
